I found out that my roommate found out I was cheating on my boyfriend. I didn't mind, though because I decided to invite him over and tell him everything. Fortunately he came over with his best friend, who I was cheating with. He felt sorry for him, so the only way to cheer him up was to get him involved in a threesome. He wasn't surprised when I said I wanted it now and it was only the three of us. In the end, you can see everything turned out fine. Besides, who can resist a booty like this.

I'm tellin' you, these guys put me through a workout today. My mouth was so tired after sucking these big cocks. The guys couldn't get enough of that, and they tasted so good. But when I had one in my mouth and one in my pussy, I got off at least half a dozen times. And they did pretty good, too. Who says there's no reward for playing around.

A photograph of Alicia Keys posing in a pink bikini. She is shown from the back, looking over her shoulder at the camera. Her hair is long and brown. She is standing in front of a light-colored stone wall. A black speaker is visible on the wall to her left. She is holding the bottom of her bikini bottom with her right hand. The image is framed by a thick pink border.

Before I did movies, I was very shy about sex in general. But there was one time I was going at it with my boyfriend. I was actually down on my knees giving him head with his pants down and my top off. All of a sudden the light comes on and we're discovered. I was so embarrassed that I didn't give him another blow job. Then we broke up for good.

ALICIA
READY ANY
TIME OF DAY

A woman with long brown hair is lying on her side on a black surface, possibly a bed or couch. She is facing left, with her head tilted back and mouth open. She has a large, detailed tattoo of a heart with wings on her upper back. She is wearing a pink and black striped garment. The background is a light-colored stone wall. A black rectangular object is mounted on the wall to the left.

I'll try just about anything.
I'm a little more reserved
in my personal life than on
the screen. I take movies
as a job and will do what
is asked of me. Of course
there are limits, and the
director knows them be-
forehand. But I do have fun
during sex. I think these
pictures show that.

Yes she is. Misty is one sexy lady and a real doll. I've watched her through the years, from her early days to today and she has stayed the same. A sweet but lusty babe that just can't get enough sex. But in all those year, I don't think she has looked any better than she does now.

– Leon, Nashville

Suddenly, Colette yelps and smashes her chin on my pussy. I open my eyes and see her man had gotten behind her and jammed his cock in her wet pussy. She grabbed hold of my hips as he pounded into her. I looked at him wanting to say he overstepped his welcome, but when Colette's mouth went back to licking and sucking me, I let it go.

Getting it right

Colette had her new boyfriend over to the house the other night. They've been together for about a month but she insists they're not dating. Okay, I'll buy that but when she tells me that he's really interested in her, what am I to think. Colette tells me he hasn't been getting A's in the bedroom lately, especially when he went down south on her. Now, every girl needs a good licking and if a guy's going to do it, do it right, dammit.

How do I know? I'm her roommate, and in this case, her confidant. She

and I talked about it for a while last night and came up with a simple plan. Next time he's over, Colette will take him into her bedroom and I would already be there. She would make him sit on the corner of the bed and watch me eat her out. There she explained to him the trouble in bed, and offered to show him how it should be done.

She and I took off our bottoms, and flipped a coin to see who would eat and who would be eaten. Colette won and laid back on her elbows and spread her legs. I got between them and licked her pussy the right way.

She was loving it, but right in the middle, the boyfriend asked if we would switch positions so he could see better.

I stopped in the middle, looked over at him, rolled my eyes and said okay. Colette got up and I laid back and spread my legs. She moves in and starts licking. I had only been licked once before, about two months ago and admittedly, I liked it. I gave out a couple little moans, closed my eyes, and lost myself in her tongue for a minute.

This went on for about ten minutes and, just as suddenly, we all came at the same time. He pulled out, she raised up and I just lay there. Colette sits next to me on the bed and says that was worth an A+. We all laughed and played around a little, but she wouldn't let him fuck me. That was okay. We had fun.

Ready for Change

Where I grew up, when you were old enough to get a job, you went to work and helped pay the bills. As it turned out, my very first job would be my last for a long time. It's back about eight years when I had to first do this. I got a job where I would do office chores and clean the gym and locker rooms at a summer recreation center. It didn't pay much but it was fun to see all the mom's bring in their kids to play ball, and all the teens that played there, too.

This guy named Malick ran the place like playing a tight ship. He was the master of money and left the running of the center to his wife and a capable staff. They worked hard and often played hard. Malick hung out in the office most of the time. There were basketball posters of Michael and LeBron all over the walls. He would tell stories of who and how many managed their way to the colleges

and pros.

Malick always paid me on time which is all I cared about but truth be told I would have rather gone to bed with him than any of the drooling boys lingering around the locker room. One day I was helping out at the front desk when 'he' walked in. I asked if I could help and he said he wanted to register his friend in the adult. I said 'sure' and took his information. His friend was from Egypt and spoke spotty English so he was going to help him register.

He asked if there was practice on Friday or Saturday because that's when his friend, Amhad had time. I said there was no adult practice on Friday, but there was practice in the 18 and up league then. He agreed, introduced himself as Carter and we set up his friend's schedule and he paid for the first month.

The first Friday rolls around and Carter and Amhad are in fifteen minutes early. I'm cleaning the waiting area and he comes to sit. I'm a little embarrassed to be seen in a tank top, jeans and a broom, but he smiled and said "Hello." to me. I said hello back and said my name was Jordan. "Hello Jordan."

putting green with Layla taking lessons from our golf pro, Brandon.

Layla comes every Sunday about Noon, has a few drinks at the 19th hole and takes putting 'lessons' from Brandon. Trust me, her putting hasn't improved much but she sure knows how to score. They usually practice for about an hour, but I noticed that they cut it short this time. I thought it a bit odd and decided to follow them. The settled

They are now down on the ground sucking and fucking. I sneak in a little closer to get a better view of the action. They're 69ing and she's on top sucking his dick

he said and added how nice I was in helping him at registration. I politely smiled and kept working. Ten minutes later he stepped outside to take a call and saw me emptying the trash containers around the entrance.

Leaning back on the wall, he tells me that he likes a hard working

Next Friday comes and then the month is up. Carter registers Amhad for another two months and we've become kinda friends. Easy talking and easy listening. One Friday night he asks me if I'd have lunch with him on Monday. I hesitated, but agreed since it was only lunch. I had never been out with a man in

days later I came into the rec center and quit.

"Why?" asked Malik, inquisitive and irritated. I told I met someone and was done with the rec center. The next two months were a blur for me, Carter and I traveled and dined in exclusive restaurants. I was a princess and he was my prince in a love story that felt like it should have lasted a lifetime. Of course, there was the time I came back to the apartment and was surprised when I saw him butt-ass naked with his dick hanging out! When I got inside, I was all horny from seeing him naked so I started rubbing his cock and jumped on top of him.

He dropped me on the bed and within minutes I was stripped naked and laying on the bed. He straddles me and moves up my body and puts his rock hard cock up to my mouth. I grab it and push it up an his belly making his balls the target of my tongue. I lick them front to back, pull his cock down and lick the entire length of his shaft. I nibble at the tip of his cock and purposely ignore taking his cock into my mouth. My tongue teasing has made him even harder and more horny.

Finally, he says he can't take any more teasing and I relent, taking his cock all the way in on the first try. We've had so much sex since we've been together that I've become very good at giving head. Besides, he's not all that big and I kinda like it. I can take him all in without gagging. I suck him for another few minutes before he gets off me and put me on my knees and enters me from behind.

I lower my upper body so he can get in deeper and he does. He leans over grabbing both shoulders and pulls me harder on his cock. Then he reached under me and with one hand finds my breasts and rubs them and with the other, he plays with my clit. I'm just enjoying him and feel him building up to a climax. I push my butt back to his pelvis and grind into it. I reach between our legs and grab his balls and work my finger into his butt hole. He blows his load, I cum too, and he collapses on top of me.

Afterwards, I make him dinner, he makes me laugh, I give him my body, he gives me a life I didn't have before.

woman, but if he had one like me, he wouldn't have her working at all. I didn't know what to say and just kept at it. He made some other small talk and I'd stop briefly to listen or answer.

his forties before, but he seemed cool and I didn't feel like the eighteen-year-old that I was with at the time.

Well, as you can assume, just because I'm writing a letter to this magazine, that things got progressively hotter. Three months after meeting we were fucking, but not just fucking, he was wining and dining me. I was late for work a few times and Malik asked me what was going on. I said nothing, but two

She's gonna be mine all summer.

It was absolute torture.

Getting to see her every day but never getting more than just a kiss or two. She told me she couldn't wait for us to get some time alone this summer. Our junior year at the college ended and summer break finally came. Tasha agreed to not rush things and wait until we had some time together. We didn't have to wait long. My parents decided to go see some old college friends in Montgomery, Alabama.

That means I got the house to myself for the month that they'd be gone. I promised them no parties and I intended to stick to it. When I told Tasha, she freaked at the news knowing full well what was going to happen. Both of our parents knew that she would be over at our place most of the time. We had been together in high school and now three years into college we are even closer.

I drove my folks to the airport and saw them off. They reminded me to be good and I reassured them as best I could. When I drove home, I stopped by and picked up my girl and we went back to watch some movies on the TV. We went in the house and I put a movie on. Within a minute Tasha practically pounced on to me nearly knocking me off the couch. I regrouped and said we should really go to the bedroom instead of messing up the sofa.

We practically ran to my room, removing our clothes on the way there. By the time we reached the bed we were both naked, and even though having seen her naked before, I was once again mesmerized by her beauty. This time though I decided to take over and quickly grabbed her and lay her down on the bed. This surprised her but I could also see she liked it. I gave her a quick kiss on the lips, then started kissing down her body, stopping at her nipples to suck them one at a time. I threw in an occasional soft bite which caused her to wince and moan which just encouraged me.

After a few minutes of alternating between her nipples, I continued to kiss down her body until I finally reached her pubes and on to her pussy which was soaking wet by this point. I traced my fingers around her labia, teasing them and her slit, occasionally tipping a finger into it. Wanting to please my lady, I slowly inserted a finger all the way in. It went in pretty easily because by now she was quite wet. I wasted no time thrusting my fingers in and out of her pussy. I continued doing it until she seemed to really get into it, moaning louder and louder.

Then I took more initiative to try pleasure her more, I inserted one more finger, then another. Each time she would moan louder but I felt I wasn't giving her enough. I pulled out my finger and licked it and as it turns out, it didn't taste bad. In fact, it had an interesting taste I couldn't explain.

I leaned closer to her pussy and licked up and down the slit. This sent shivers through up and down her body and she froze for a moment. I'm thinking she must have had a mini orgasm. And so I stuck my tongue as deep into her as far as I could and tasted her insides. I started pushing my tongue in and out and occasionally coming up for air. Going back down, I focused my

tongue more on her swollen clit and gave it a bit of sexy tongue-lashing. I could instantly tell that she loved it and it pleased her immensely. This brought her to an intense orgasm, her legs locked around my head and she screamed my name out loud. Her juices came gushing into my mouth and I took as best I could. I wasn't used to having my face flooded with lady cum. When her orgasm finally passed, she let me go and I lay besides her waiting for her to fully calm down. Minutes later she finally stopped breathing heavily and looked down at me with a satisfied look.

"My turn." she said and began slowly teasing just like I did her, slowly rubbing my cock head. Then, ever so lightly sliding them down the shaft and giggled. She definitely knew how to tease. Now every time my cock slid through her hands, she would stick her tongue out and lick the tip. This caused both pleasure and frustration as I was happy to have her tongue on my cock but wanted it in her mouth and deep down her throat. She finally grabbed me by the base and began to lick and slap her tongue against my balls. The whole time she kept her eyes looking up at me occasionally she would back off and give me a seductive smile. This girl knew how to work a cock! Then she slowly brought her tongue up and licked from the base to the tip sending shivers throughout my body. I had enough off this teasing, I couldn't take it anymore.

She engulfed the head of my cock into her mouth swirling her tongue around the tip. I placed my hand on her head and gently brushed some hair out of her face as she worked more and more of my cock into her warm moist mouth. Tasha ran her tongue all over it while applying just the right amount of suction and stroking what part of it wasn't in yet. I soon felt the entrance of her throat as she kept taking more of my swollen cock. Still being a tease, she would start to slide part of the tip into her throat before pulling back and then doing it again. Oh, yeah, she was good.

Then she slowly brought her tongue up and licked from the base to the tip sending shivers throughout my body. I had enough off this teasing, I couldn't take it anymore.

Stacey: "I hold many secrets and one of them is Mya. I often escape into her arms seeking what no man can give. Yeah, I love men, but loving a woman is daring, fun, an adventure. Mya is all that."

Mya: "Stacey is a sweetheart. She's my bitch. She's makes sex fun and an escape for me, too. She always know what to do to get me off!"

Tasha grinded down hard on my cock and then started to move her hips up and down the full length of it, moaning louder and louder every time she did.

I reached down and slid my hand to her chest to feel those amazing boobs she had. This got what I could make out as a smile as she still had my cock in her mouth. Then, Tasha, with her free hand grabbed my balls and squeezed slightly giving a nice felling combined with giving

The feeling was beyond words and when she stared twirling her tongue around it, I knew I wouldn't last too long before I shot.

And I didn't. I couldn't stop myself because I was well past my limit and erupted into her mouth – hard. She sucked and sucked and I could feel her try to swallow everything, but some sipped out the corner of her mouth, which I found to be extremely hot. Finally I finished unloading into her mouth and she licked up everything. All I could say was 'Damn girl!' She

told me she liked the taste of it and wanted more. She was staring at my still hard cock with a grin. I started to get up to get on top of her but she stopped me. She told me she wanted on top and I was only too happy to oblige. "I want to feel your hard cock deep inside me!" she whispered.

And with that, she lowered herself slowly onto me and my cock head went in with ease. She slid up and down on my cock with her hands on my chest for support. This felt so good that I couldn't help but groan out loud. Eventually, she slowed down and sat on my rigid cock so that was all the

me head. She then slid my cock out her mouth and began stroking me as she sucked my balls. She revisits my throbbing cock and wraps her smooth fingers around it and went to work again keeping one hand on my balls and rolling them around in it..

I closed my eyes to enjoy the feel of her firmness around of my cock, then opened them to the sexiest sight ever. My girlfriend was looking straight into my eyes as my cock was slowly being sucked deeper and deeper into her mouth.

way inside her, and her eyes were wide open with a look of pure satisfaction. Tasha grinded down hard on my cock and then started to move her hips up and down the full length of it, moaning louder and louder every time she did.

I couldn't help but start thrusting upwards to meet hers until we worked up a rhythm which we kept to a pace that increased until we were practically bouncing off the bed. It wasn't long before I felt her pussy squeeze my cock and that sent me over the edge and I unleashed a huge load deep inside her. I coated her insides with my cum and she must have been feeling it all because she went wild screaming out.

When we were both done cumming we both just collapsed on the bed and a closed our eyes and both fell asleep. Our adventures continued on the summer break with her mostly sleeping over at my house and we fucked on nearly every surface in the house.

Stacey: "Mya said she had never had a dildo in her ass and would I do it. 'Of course!' I said. So I first lubed her up with my tongue and then some gel. She picked the one she wanted and I told her to get on her knees because that's the best way to do it the first time."

Mya: "I trust Stacey so much, I let her pop my anal cherry. I asked her to put on the strap-on and do me that way. Then we got more intimate and pulled out the red dildo. That and her tongue sent me over the edge."

STACIE LEARNING HOW TO BE GOOD

I didn't start dating until I left home at eighteen. My first kiss took a few months longer. But my first real fuck came just a year ago and I loved it! Absolutely loved it! I don't know why I waited so long, so now I have to make up for lost time. I like that and I think all my partners like that, too.

A woman with large breasts and dark curly hair is lying on a red surface, looking up at the camera. She is wearing a gold chain necklace and a silver watch. Her arms are raised, and her legs are spread apart. The background is a solid red color.

Then one day a girl-
friend of mine told me
she met some people at
a party that wanted to
make some homemade
porn and try to get it
up on the internet. She
asked if I wanted to do a
scene with this guy who
had a big dick. I told
her I was a little shy but
if they paid me a little
something and he really
was big, I'd do it. Well,
that was my start and
now I feel I've made up
for those lost years.
